## VARIOUS KINDS OF STUNTS OF SQUARE

OF COURTHOUSE AMUSE THE CURIOUS CROWDS

## MARYVILLE CONCERNS

Have Artistically Arranged Displays Of Products in the U. C. T. Information Tent

The actresses of the local organizations having show concessions around the Courthouse square were attired in various colored hues and costumes. They gave performances all during the afternoon and evening. Eating booths conducted by Maryville societies were amply prepared to supply the wants of the crowd. The makeup of the representatives conducting the booths were reminders of former days and of the wandering gypsies.

Free acts furnished by the Chamber of Commerce included both outside organization and local groups. The two performers of the Flying Larazolas furnished thrills at two performances and their trained dog was adept in walking the tight wire. With the High School Orchestra, the concerts of the Maryville band, the stunt of Walt and Skeezix, the colored singers, Yehle Fashion Review, the automobile parade, and girls in costumes with candy bags and many ballons and squaker salesmen on the streets, there was not a moment during the entire day but what some attraction could be witnessed during the first day of Maryville's Fall Fiesta and Exposition.

Two shows were given by the Mystery Company. The performance was divided into three parts. All the performers were dressed in Turkish costumes. The first act consisted of knife throwing. A man from the audience stood target for the knives. A sleight of hand or illusion act was next where three finger rings were collected from the audience. The rings were bent double with a hammer, shot from a gun into a box containing many small boxes, and were returned to the owners tied up in ribbon.

The third act was the feature of the show. A College boy, Raymond Fenstermacher, allowed himself to be placed in the box and was sawed in two parts with a cross cut saw, the box being pulled apart after it was cut. Fenstermacher, George Baker and Miss Virginia Robinson assisted Mr. Owens of Shenandoah, Ia., to conduct the performance on the stage. L. M. Eek and Temple Allen ballyhooed for the show.

In the long tent of the Streets of Cario were seen many veiled men and women dressed in oriental costumes, who danced and sang. Harem girls and incense girls were in evidence with the mesmerists and snake charmers. The program today was slightly changed from yesterday. A sleight of hand performer is scheduled to act at every performance, the snake charmer has been eliminated. The main feature stunt of the Streets of Cairo is the Oriental dancer. Girls in costume sell lolly-pops and raisins and the perfume and incense girls are much in evidence.

Jarley and Ward's Wax Figure Show, corner of Market and East Third streets, is considered by many as one of the cleverest shows on the pike. The program is varied from time to time. About fifteen characters take part in the stunts. The following characterizations are shown: Sleeping Beauty and the Prince, Columbus, The Woman Who Refused a New Bonnet, Chinese Giant, Boy on the Burning Deck, The Flapper, Cleopatra, The Woman Who Kept a Secret and George Washington.

The fortune telling booth of the D. A. R. women did a rushing business all day and evening. The ladies in charge had secured three gypsies who told fortunes by cards and also a palmist who read the lines of the hands, foreboding good or evil.

The high school orchestra, under the direction of Loren Schnabel, played a number of selections before an appreciative audience yesterday afternoon on the platform in front of the Empire Theater.

The Flying Larazolas performed on rings on the platform just east of the courthouse. Their act consisted of various feats of strength and agility and was witnessed by a large crowd. The revolutions around a bar with a trapeze was the feature of their performance.

## AGRICULTURE TENT MAIN ATTRACTION

EVERYTHING GROWN ON NODAWAY FARMS ON DISPLAY.

## RURAL SCHOOL BOOTHS

Are Features—John Boyd and Robert Tobin Judge Farm Exhibits and Hogs.

Agriculture Day, the second course on the menu of Maryville's Fall Fiesta and Exposition, brought a great crowd of persons from every section of Nodaway and surrounding counties to the city today.

Old and young, rich and poor made up the cosmopolitan group that crowded down Main street this afternoon to "take in" all the attractions of the three-day celebration.

The agriculture tent on West Third street was, by far, the main attraction of the day. Here could be seen displays of everything grown on the farms of Nodaway County and the tent was thronged throughout the day. The school booths around the tent attracted the most attention but the livestock exhibits were a close second.

All concessions reported a big business this afternoon. The bands from Albany and Maryville furnished the music which led the crowd from one show and act to another.

The Blackstone Quartet, high school orchestra, and Sweet Singers of Israel were on hand to aid the bands in furnishing plenty of music for the visitors. All numbers were given to large and appreciative audiences.

John B. Boyd, high school supervisor of the state department of education, arrived in Maryville this morning and will judge the various exhibits in the agriculture tent.

Robert Tobin of Burlington Junction acted as judge of the pig show. Mr. Tobin is manager of the Burlington Junction Livestock Shipping Association.

At the entrance on the left Herron School, district 81, the booth is decorated in green and white. A great number of canned vegetables and fruit are arranged on the shelves. Pumpkins, squash sunflowers and all varieties of corn are shown.

Myrtle Tree School, district 62, has the second booth following. Red and white are the decorative colors. Apples, a chunk of sod grass, flowers of various descriptions, sweet clover, a display of useful insects and harmful insects are boxed. Forty-two different kinds of weeds and fifty-seven kinds of wood, with eggs, canned fruits and vegetables and gourds comprise the greater part of the exhibit.

Radishes, onions and black walnuts are also included.

"The Little School at the Top of the Big Hill," is the greeting of Cottonwood School, district 36, with the booth decorated in purple and yellow. Cream, honey, tomatoes, pop-corn and other varieties, gourds, caster beans, home-made yeast and home-made soap, pears, rye, oat and wheat seeds, melons, lard, butter and canned fruits and vegetables are among the exhibits.

Mount Tabor, with its booth in black and yellow with the sign thirty-five miles from town is the next exhibit. Corn grown from seed for thirty-nine consecutive years is displayed with persimmins, watermelons, lettuce canned fruit, carrots and in fact all vegetables, with peanuts, and different kinds of soil make up the exhibit.

Independence School, No. 18, decorated with yellow and white, has among the displays; lye soap, dried apples, pumpkins, bean seeds, beets, lettuce, apples, corn, oats and potatoes.

The Prairie View School booth exhibited corn, canned goods, vegetables and fruit. Pumpkins, watermelons and squashes were on the ground nearby.

Posters and all kinds of farm products featured the display of the Pleasant Hill School.

The Logan School, with decorations of green and white, showed the great variety of farm products that can be grown in Nodaway County.

Lyle School had a sign spelled out "Lyle." The sign was made with red and yellow grains.

Coxcomb and wild flowers formed the sign of Fryar School. Fruit, vegetables and other farm products were on display at this booth.

Cannas and corn stalks were in abundance in the timely display at the booth of the Little Brick School.

## BARACKMAN WON A THREE FALL MATCH

TOOK ONE HOUR AND THIRTY MINUTES FOR FIRST FALL

## MET KLASAN OF OMAHA

Klasan Took Second Fall While Barackman Won the Match By Pinning Klasan To Mat Twice

The small crowd that saw the wrestling match last night, sponsored by the American Legion, saw by far the best match ever staged in Maryville. Paul Klasan of Omaha, Neb., surprised every one with his various assortment of holds and locks and gave Barackman, the local legion wrestler a great tussle for the money.

Tonight Barackman meets Kid Karey of Kansas City in a finish match. The price of admission has been reduced to $1.00 with no seat reservations. The "first come, first served policy will be employed.

When the two wrestlers went to the center of the ring a small but enthusiastic crowd was gathered around. Barackman's weight was 157 pounds and Klasan, 154 pounds.

Kiasam started on the offensive and surprised the crowd by using a flying mare and throwing Barackman to the mat within the first minute. However, he did not have any dangerous hold and Barackman took to the defense and the match went on. Klasan showed the small crowd a varied assortment of holds, new to Maryville fans, and worried Barackman considerable by his dangerous wrist locks. At the half-hour mark the men were mixing furiously with neither having gained a dangerous hold.

Both men showed their good sportmanship at times and although the match was fast throughout, it was not rough.

Barackman gained an arm lock on Klasan but the men were so close to the edge that they were called to the center.

After an hour of wrestling the two were slowing up a bit and more careful. Fifteen minutes later Barackman took to the offensive and by a series of arm locks, head locks and bar holds finally forced the boy from Omaha to the mat for the first fall.

After the intermission the two came to the center of the ring for the second fall. Klasan again was the agressor and after twenty-three minutes wrestling pinned the shoulders of Barackman to the mat and gained the second fall. This is the second time in two years that any man has pinned the local wrestler to the mat.

Barackman gained the third fall and the match after 10 minutes wrestling. With a crotch hold he lifted the Omaha boy from the mat to above his shoulders and swung him around the ring until Klasan was dizzy. He then flopped his opponent down on the mat and succeeded in pinning him to the canvas.

Many fans on the street had received the word of the closely contested match and by the time the match ended a considerable crowd was present. Dr. D. J. Thomas, referee, said that in his opinion this was by far the best man that has ever met Barackman in Maryville, and Barackman stated that he was the toughest opponent that he has met in his career.

Kid Karey wrestles Barackman tonight in a finish match.

## Extension Students to Go on Inspection Tour

About Fifty Will Visit St. Joseph Stock Yards, Weather Bureau and Mills

An extention class of fifty students from the State Teachers College will visit the Swift & Company plant, the stockyards and other points of interest in St. Joseph Saturday. They will be shown through the yards and the method of handling stock through commission firms will be explained to them. After a visit to the Anchor Serum company, the class will be conducted through the Swift plant by company guides and will then return to the cafeteria where a talk on federal inspection of meat will be given by Dr. D. R. Gilles, inspector in charge of the bureau of animal industry. The class will visit the Larabee mills before going to the weather bureau, where W. S. Belden, observer will explain the work at the station.

## Severe Earthquake Is Felt in Tokio Today

But Advises To Radio Corporation Indicate That No Serious Damage Was Done By Earth Tremors

London, Oct. 4—A severe earthquake was felt in Tokio today, according to a dispatch from that city. Many persons were driven from their homes and the electric lights were cut off. Osaka also felt tremors.

San Francisco, Oct. 4—Advises to the Radio Corporation of America from Tomioka, Japan, today indicated that no serious damage was done by the earthquake. Indications were lacking but it is said that the earthquake did not register heavily.

## COLONEL HARVEY QUITS HIS POST

WILL RETURN TO UNITED STATES JANUARY 1, IT IS LEARNED.

## TO RETURN JANUARY 1

Harvey Had Intimated to Late President That He Desired to Return to Private Life.

Washington, Oct. 4.—Colonel George Harvel, American ambassador to the Court of St. James, has resigned and will return to the United States about January 1, it was learned officially at the state department this afternoon.

Washington, Oct. 4.—Although official confirmation was lacking either at the White House or the state department, reports were current here today that Col. George Harvey, United States ambassador to Great Britain, planned to resign January 1.

Harvey, it is understood, at one time told the late President Harding that he desired to retire from diplomatic service to devote his attention to private business affairs.

## AWARDS MADE FOR AGRICULTURE DISPLAYS

The following is the list of the scores of the different school booths made by John B. Boyd, high school supervisor of the state department of education, who judged the entries in the agriculture tent this afternoon:

## OKLAHOMA SECTOR IS PEACEFUL TODAY

WALTON AND ANTI-WALTON FORCES AWAIT COURT ACTION

## BOTH SIDES PREPARED

Regardless Of Decision, Opposing Faction Will Quickly File Appeal To Supreme Court

BULLETIN.

Oklahoma City, Oct. 4.—A call for the grand jury to investigate Governor J. C. Walton's employment of "gunmen" to stop Tuesday's special election was issued this afternoon by district judge, George W. Clark.

The petition calling for the grand jury was circulated yesterday by Campbell Russell, former corporation commissioner of Oklahoma. Russell had also circulated the petition calling for the special election.

The grand jury hearing was set for October 15. Within five minutes after the call was issued, selection of the grand jurors was begun.

The injunction suit against the Oklahoma national guard, restraining them from interfering with the meeting of the Oklahoma legislature was indefinitely postponed this afternoon by agreement of attorneys on both sides.

Oklahoma City, Oct. 4—Although a military guard was patrolling the state house and surrounding the courthouse in Oklahoma City to keep guard over the election materials, the city was more serene this morning than it has been for several weeks.

Secret conferences between Governor Walton and his advisors, and the planning of the legislators were progressing, each side preparing for eventualities. These were the only activities "along the trenches" in Oklahoma today.

The result of the outcome of the hearing in the district court to restrain the national guard from interfering with a meeting of the House of Representatives, which is set for hearing today, is watched with eagerness on both sides. It is certain that the battle will be carried to the Supreme Court.

The general opinion was that if the decision favored the legislature, such prompt appeal would be taken that it would prevent the gathering of the solons. In turn, the solons are prepared to act if the injunction is refused.

Governor Walton declared today that Tuesday's election established the Klan's strength in Oklahoma at 200,000 and that the election was illegal.

The anti-Walton forces insisted that his repudiation by the people was a popular uprising by both the Klan and the anti-Klan citizens of the state.

## Air Races Open at St. Louis Flying Field

Large Crowds Present To Witness Dedication Of Field At 10 O'Clock This Morning

St. Louis, Oct. 4—With the first two events of the opening day of the international air races out of the way—the trophy race for small-powered planes won by Edward W. Lee of Dayton, Ohio, with a speed of 89.30 miles an hour, and the Mitchell 200-kilometer race won by Capt. Burt Street of Sulphur Field, Mass., with a speed of 146.92 miles an hour—thirteen army and navy entries took the air at 2 o'clock this afternoon and started on the 200 kilometer Liberty Engine Builders' race. It was the third event of the day.

St. Louis, Oct. 4—With eight airplanes on the starting line in the trophy race of the St. Louis Flying Club, with engines roaring and propellers whirling, the international air races got under way formally here today.

Dedication of the field to the navy, the army, the mail service and to several pilots, took place at 10 o'clock just before the first race.

Fair weather marked the opening and crowds of airplane fans were at the field.

## Set Date for Special Code Election

Members Discuss Financing Election, But Deferred Matter Until Today
Farewell Banquet Wednesday.

Jefferson City, Oct. 4. — Tuesday, February 26, the voters of Missouri will be called upon to vote on the amendments to the constitution approved by the constitutional convention. This date was not agreed upon until after a full hearing, in which each member was accorded all the time desired.

Before the date for the special election was fixd it was decided two judges and two clerks for each of the approximately 3,900 voting precincts in the state would be sufficient. These election officials are to be chosen from the two leading political parties. The necessity for using voting booths at the election was eliminated. Separate returns must be made on each of the twenty-one propositions to be submitted. The returns must be opened and the vote tabulated ten days after the election in the presence of the governor by the secretary of state, state auditor and state treasurer.

Members of the convention were entertained last night at a dinner given by members of the committee left to clear up the work of the convention when it took a recess last month.

Unless the unexpected happens, members of the convention expect to adjourn finally Friday.

## Graham

**School Notes.**

The Graham basketball team defeated the Barnard team last Friday on the Graham court. The score was 24-6. Our boys showed some fine team work and played a fast game.

Owing to a misunderstanding the Barnard girls did not come. Our girls were greatly disappointed but they will probably arrange for a game at some other time.

The annual staff is collecting its material and making its plans for the 1923-24 Annual.

Vera Mowry, who returned from Kansas City Sunday, has enrolled as a new member of the Junior class.

The Graham high school basketball team will play the Guilford boys at Guilford next Friday afternoon, Oct. 5. This will be a double header and fast games are expected.

# SOCIETY

**Postpone Meeting**

The meeting of the Woman's Missionary Society of the First Christian Church has been postponed from tomorrow afternoon to Friday, October 12, when Mrs. S. G. Massie, 423 West Fourth street, will be hostess.

**Mrs. Irwin Leaves**

Mrs. Fletcher Irwin of Los Angeles Cal., who has been spending two weeks with her mother, Mrs. Catherine Miller, and her sister, Mrs. Fred Robinson, and family, left this morning for her home. She will visit her brother, Arthur Miller, and Mrs. Miller in Kansas City Friday, leaving there tomorrow night for Los Angeles. She was accompanied to St. Joseph by Mrs. Robinson, who will return home tonight.

**Danner-Hansen Wedding**

Miss Grace Danner, eldest daughter of Mr. and Mrs. James Danner, living nine miles southwest of Maryville, and Henry Hansen of Conception were married yesterday afternoon in Independence. They were accompanied as far as Atchison, Kan. by the bride's brother and sisters, Harry, Marie and Golda Danner, and Kent Coulter. Mr. and Mrs. Hansen will make their home on a farm west of Conception. The bride is a high school graduate of the State Teachers College and year before last taught at the Rose Hill school near Bedison. Last year she taught at the Trego school, south of Maryville. The bridegroom is the son of Mrs. Ras Lorenson, living southeast of Bedison.

**Farewell Party For Carters**

The members of the Bloomdale Willing Workers Club and their families gave a farewell party last evening for Mr. and Mrs. James Carter and daughter, Alma, who are leaving the farm. They will depart soon to visit relatives at points in Indiana. The evening was spent in playing forty-two and refreshments of pumpkin pie, doughnuts and coffee were served. The company included Mrs. Mary Pistole, Mr. and Mrs. Luther Pistole, John William Groves, Mr. and Mrs. Jim Lett, Mr. and Mrs. Will Lett, Mr. and Mrs. Chance Copeland and son, Harry, Mrs. Clair Conley and daughter, Clarita, Mr. and Mrs. Orville Gray, Mr. and Mrs. George Wray, Everett Wray, Mr. and Mrs. Edmund Harvey and children, Harold and Lois, Mr. and Mrs. Charles Coleman, Merrill Coleman, Donald Pistole, Mr. and Mrs. Parl Runnels, Mr. and Mrs. Walter Runnels, Lauren, Eldena, Lillian and Robert Runnels, and Mr. and Mrs. Carter and daughter, Alma.

**Daughters of 1812 State Officers.**

Mrs. Dorothy Wadell Russell of Kansas City has been elected state president of the Daughters of 1812. The state convention was held in Sedalia Monday and Tuesday, October 1 and 2. The other officers are: Honorary state president, Mrs. L. M. Ottofy, St. Louis; first vice president, Mrs. C. C. Evans, Sedalia; second vice president, Mrs. L. C. Reilly, St. Louis; third vice-president, Mrs. T. C. Towles, Jefferson City; fourth vice president, Mrs. Walter Miller, Columbia; recording secretary, Mrs. George Kingsley, Kansas City; corresponding secretary, Mrs. D. L. Shumate, Kansas City; historian, Mrs. A. Wilson, St. Louis; registrar, Miss Essie Matlock, St. Louis; treasurer, Mrs. C. C. Madison, Independence.

The Benjamin Wright Chapter of Maryville was not represented at the convention.

## AGRICULTURE TENT MAIN ATTRACTION

(Continued from page one)

The La Belle School also had a sign spelled out with grains of corn.

St. Mary's School of Clyde had a very unique display of eastern Nodaway County farm products.

A display of different grain featured the booth display of the Union School.

Bouquets of roses were very much in evidence at the booth of the Blackman School.

Potted plants and farm products consisting of canned goods, grain and vegetables featured the display of the Bedison School.

The Lasher School booth displayed an abundance of agricultural products and was artistically decorated in a green and white color scheme.

"Nature Is the Basis of All Prosperity" is the sign on the booth of the Martha Washington School. All sorts of farm products are on display at this booth, and the color scheme is in green and white.

Mount Pleasant School, district 64, with a color scheme of white and pale green, displays sudan grass, squash, onions, apples, a great many flowers, parsnips, twenty-six varieties of canned vegetables and fruits, chickens, celery, black walnuts, and fruit.

Kafir corn is seen standing by the side of the booth occupied by the Elm Grove School, district 82. Lots of canned fruits, hops plums flowers, beets and much, in fact, of the same exhibits of the other schools in evidence.

Bell Grove, with the name made out of sliced carrots has an unusual decoration for the top of the canopy, being made from elm leaves. Many pots of flowers with the exhibits as given in the other schools are on display.

A. J. Anderson, who formerly lived near Maryville, has some of his products grown in Wyoming on display.

The Wilcox School, has the name of the school patterned with two varieties of corn above the booth. Corn, standing high at the sides of the exhibits, with varieties of canned goods, flowers and other farm products are on display.

Highland School, district 84, with the name in wheat seed is near the end of the row of booths on the east side of the tent. The booth is decorated with purple and gold. Various seeds and bunches of flowers are used as decorations for the farm products and garden displays.

Scudder School, district 136, with lattice work above the booth and colors white and yellow is prettily displayed. The usual farm products and flowers and vegetables mark the exhibits.

At 2:30 o'clock this afternoon the implement dealers of Maryville exhibited in a parade nearly every conceivable piece of machinery that is used on a farm.

Many tractors, trucks, wagons drawn by horses, manure spreaders, corn sheller, plows, electric light plant, ploughs, threshing machines and drags were in the line of the parade. The Maryville and Albany bands were drawn by trucks. The parade started on South Main, went down to the postoffice corner, then west a block, south one block and up to Main street again. A feature of the procession was a team of Shetland ponies drawing a manure spreader.

## Anderson Sends Ray Dry Farming Products

A. J. Anderson, who formerly lived southwest of Maryville, but moved to Chugwater, Wyo., about five years ago, has sent to J. W. Ray some samples of farm and garden products that he raised on his 960-acre farm there this year. Mr. Ray received yesterday a mixed bushel of potatoes, parsnips, cucumbers, carrots and white and yellow dent corn, grown by dry land farming.

One of the parsnips measured twenty-five inches in length and a cucumber eleven and a half inches long. The potatoes were of extraordinary size and the corn fully matured. Mr. Anderson took eighteen prizes at the fair at Chugwater with his products and sent most of his best exhibits to the Wyoming state fair at Douglas.

The bushel of vegetables and corn are on display at the agricultural tent on West Third street today.

## M. V. Baker Has Been a Resident Here 69 Yrs.

M. V. Baker of Barnard registered at the U. C. T. tent today. He has been a resident of the county for 69 years. He is 87 years old.

Others registering at the tent were: Daniel Fones, Guilford, a resident for 55 years and 82 years old.

Lon Shanks of Maryville, a resident here for 58 years and 63 years old.

## 3 Desperate Convicts Hold Dining Room

**National Guardsmen Keep Up Intermittent Machine Gun Fire On Life--Term Prisoners.**

Eddyville, Ky., Oct. 5—The three half-crazed convicts barracaded in the dining room of the state prison here, again defied military officers and prison guards when, at 1:30 o'clock, they were called upon to surrender, after 5000 shots had been poured into the building by four machine guns.

Three men, all prison guards, were dead at that hour.

Eddyville, Ky., Oct. 4.—11 o'clock this morning was set as the zero hour that Montie Walters, serving a life term for murder, together with Lawrence Griffith and Harry Frelong, serving a sixteen year term for manslaughter, to stage a convict rebellion in the Kentucky penitentiary.

Warden Chilton also set 11 o'clock as the hour for a concerted attack by prison guards and national guardsmen, armed with machine guns and hand grenades in an effort to end the spectacular siege now in its second day.

Eddyville, Ky., Oct. 4.—Three desperate life-term convicts still held the second floor of the dining room of the state prison here today.

At 1:30 o'clock this morning, two machine guns manned by national guardsmen were keeping up an intermittent fire upon the darkened windows of the second floor dining hall while three desperate prisoners armed with weapons seized from guards they overpowered, and held at bay thirty-nine officers of the institution.

One guard killed, one mortally wounded and one slightly wounded is the toll so far in the mad dash for liberty.

Although the men have not replied to the fire, of their bombarders since last evening, it is believed they are saving their ammunition for another attempt to break away.

Mr. and Mrs. J. C. Kessler and two daughters, Grace and Bertha, of Los Angeles, Cal., arrived in Maryville yesterday afternoon after a ten and a half days' trip in a Ford from their home. While here they will visit Mr. and Mrs. E. C. Kessler and Mr. and Mrs. Clyde Bliss. J. C. Kessler was in the hardware business in Maryville about four years ago. They found the roads good until the last day of their journey, when Kansas, roads were struck. The party came by the way of the northern route.

## BEAR CATS TO BE IN GOOD CONDITION

WILL MEET FAST WESLEYAN TEAM HERE TOMORROW

## INTERFERENCE IMPROVES

**Squad Is Drilled In Art Of Spiking—Cameron Team Is One Of Strongest In State**

The Maryville Bear Cats have undergone a complete change in their form of football tactics under the instruction of Coach Lawrence within the last few days. No longer is the man carrying the ball downed on account of the lack of interference. Every man on the squad has been drilled in the art of spiking by the coach and the results are amazing.

The Bear Cats will be in fine condition for the game tomorrow with Missouri Wesleyan and will be able to give the fight of their lives, according to Coach Lawrence.

Monday and Tuesday of this week extensive work was done on the running of interference with the result that the offensive power of the squad has been greatly improved. Another department of the game which the Bear Cats have specialized is holding onto the ball. Fumbles are rare in scrimmage and a vast improvement over last Saturday's playing at Peru is to be noted.

A few of the men are suffering from minor injuries but the entire squad will be in uniform for the battle tomorrow. Culp is still unable to come out for the practice on account of an injured foot.

New uniforms have arrived to take the place of the old green and white. The new ones are a solid maroon color. They were issued last night. The old jerseys were not of good material and tore easily. The team will appear in their new suits tomorrow.

The M. H. S. Spoofhounds worked out last night under L. E. Ziegler before Coach Ebert for the first time. Ebert was enthusiastic over the prospects that the high school material showed and said they looked good. From now on Ebert will be in charge of the squad.

The squad is on the edge for the first game which will be next week with Rock Port. This is one of the four conference games and the squad is anxious to win the game. The team which will be used in the game will not be announced until next week. Although the Spoofhounds are a light bunch of players their speed and experience off-set this disadvantage and another pennant team is hoped for from the local high school. Ogden is captain of the team.

## Harvest Workers Ask Audience With Prince

Winnepeg, Oct. 4—Police guarding the Prince of Wales were pushed aside here this afternoon by a swarm of harvest hands, who landed in Canada several months ago and were unsuccessful in obtaining work, and overran the Alexanderia Hotel, obtained an audience with His Royal Highness to tell their troubles to him.

**Warranty Deed**

The warranty deed was recorded in the Recorder's office this morning: Blanche James to Mrs. Susie Browning, all lots 7, 8, 9, 10, 11 and 12 of block one, Bradley's addition of town of Elmo, consideration $3,200.

Estate of Effie Mann, by Charles Hyslop and Edward E. Williams, trustes, to James J. Turner, part lot eight, block 5, Maryville, consideration $6,300.

**Bible Thought for Today**

SELF-MASTERY.—Keep back thy servant also from presumptuous sin; let them not have dominion over me: then shall I be upright, and I shall be innocent from the great transgression. Let the words of my mouth, and the meditation of my heart, be acceptable in thy sight, O Lord, my strength, and my Redeemer.—Psalm 19:13, 14.

Let the words of my mouth, and the meditation of my heart, be acceptable in thy sight, O Lord, my strength, and my redeemer.—Psalm 19:13, 14.

**Mrs. G. R. Colbert Returns.**

Mrs. G. R. Colbert returned this morning from Anderson, Ind., where she has been visiting her sister, Mrs. M. E. Tousey, and her aunt, Mrs. Jessie Croan. Mrs. Colbert went there about the First of last month.

**Returns From California**

Mrs. Ida Persons returned yesterday noon from an extended visit in Los Angeles and other points in California. She had been gone since April 17.

## Poincare Policy Is Approved by Cabinet

French Contend That Attitude of Cuno Voids All Previous Reparation Offers By Germany

Paris, Oct. 4—The French cabinet today announced its approval of the unconditional attitude maintained toward Germany by Premier Poincare since the announcement was made in Berlin that Germany would end passive resistance in the Ruhr.

Poincare contends that all of Germany's previous reparation offers to France are void, because of the anti-French policy of former Chancellor Guno. Consequently, it is contended, there is no German offer on the table.

## Georgia Farmers Relying on Tobacco

Tobacco is proving the salvation of the Georgia farmer, with the boll weevil destroying cotton, and thousands of pounds of the fragrant weed are raised in parts of the state where never an ounce was grown before. These beauties of Douglas, in the heart of the state's tobacco district, are seen with some of the state's nicotinian product.

## VARIOUS KINDS OF STUNTS OF SQUARE

(Continued from page 1)

of four negro musicians with playing and singing ability, gave a number of pleasing selections.

Cleo Wyman as Walt and Richard Runyan as Skeezix performed several humorous stunts in their car on Main street yesterday afternoon. Walt and Skeezix are both students of the State Teachers College.

The "Sweet Singers of Israel," composed of a number of negroes from the A. M. E. Church, sang a number of beautiful songs on the platform near the Empire Theater last night. They will appear on the program again today.

The Elks' vaudeville show, under the direction of Fritz Seymore, played to capacity houses yesterday. The show consists of exhibitions of rope throwing, clog dancing, boxing and ventriloquism. Singers and two very good comedians help to make up a first-class entertainment.

A ferris wheel which has been secured by the Maryville Council of DeMolays did not arrive until this morning but erected in time to do business this afternoon.

The Country Club started a concession that gave golf enthusiasts lots of amusement. A small plot of ground on the southwest corner of the Courthouse square has been roped off and a hole sunk where putting contests were in evidence today.

Displays of local manufacturers and dealers were on exhibit in the information tent of the U. C. T.

Butter Krisp Potato Chips, made by Blagg-Martin Products Co., with other good things to eat were neatly displayed.

The Townsend Wholesale Grocery Co. had rows of small-sized cans of Nickel Plate coffee.

Keen Kutter Tools were on display by the Phares Hardware Co.

Victor Acetylene Generator of Moore Bros. was exhibited by the Maryville Lightning Rod Co.

The Utility Carrier, by Lloyd Manufacturing Co. was displayed.

### NOTES OF THE DAY.

Among the numerous window displays the Merchants' Cafe had an exhibit of live animals, name brown-colored bunnies.

The night watchman Frank McKee never sleeps, at least he is seen on the streets day and night.

Beware of the "coppers." Mayor W. O. Garrett said yesterday he had about fifteen extra policemen on the force.

The Country Store, Fourth and Main streets, under supervision of the Spanish American War Veterans, was sold completely out within an hour.

The duck pond proved much amusement at the corner of Market and East Third streets under the management of the Gun Club. Three ducks swimming in a tank were constantly on the look-out, avoiding being ringed with hoops.

The wrestling bout last night between Barackman and Klasan was the best that Barackman ever entered according to Dr. D. J. Thomas, this morning, who refereed the match.

Miss Betty Turner, secretary of the Nodaway County Red Cross Chapter, can be seen at the Red Cross tent on the court house square for information in regard to Red Cross work, ex-soldiers' insurance and disability claims.

The ducks that the Gun Club had in the pond evidently became tired yesterday afternoon as the boys who were running the stand "went broke." More ducks were secured for the evening's entertainment.

## BE PRETTY! TURN GRAY HAIR DARK

**Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur**

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is mussy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and [illegible].

### Singrey School, No. 179

Singrey school had perfect attendance for September, excepting sickness, Curtis Brickey missed five days and Adline Hipsher four days. There were no tardies. Those rainy days every pupil was in his seat by 9 o'clock. We appreciate this co-operation of the parents and will do our best for the children.

The class in percentage (A class) is beginning to understand the subject fairly well. Percentage is usually difficult for pupils to understand well.

The meeting at the church closed Friday evening on account of the rainy weather. There was no Sabbath school Sunday on account of the bad condition of the roads.

The Ladies Aid Society of the church had an all day meeting at John Neil's Tuesday. They discussed the question of the remodeling of the church. Some thought one thing might be the better to do and some another. The meeting was very harmonious and all thought they had better have another meeting to decide exactly what they wanted. Committees were appointed to report at the next meeting. That improvement of some kind will be made in the near future is almost

***Why Fear Child-birth***

EXPECTANT mothers do not undergo useless suffering any longer, and baby's birth can be made gloriously easier.

Mrs. Wm. Flack, 115 N. 12th St., Leavenworth, Kansas, says: "'Mother's Friend' is the best help in the world for an expectant mother. I am the mother of three children and have found 'Mother's Friend' fine."

"Mother's Friend" is externally applied about the abdomen, back and hips. It penetrates wonderfully, and in this way allows the muscles and ligaments to relax easily and readjust themselves to the changes during expectancy and at child-birth.

Use "Mother's Friend" as our mothers and grandmothers did. Don't wait start today. Write to Bradfield Regulator Co., DA-73, Atlanta, Ga., for free booklet containing valuable information every expectant mother should have.

"Mother's Friend" contains no narcotics or harmful drugs. It is safe. There is no substitute. Avoid useless creams and plain oils. Start using "Mother's Friend" now—the sooner the better. "Mother's Friend" is sold at all good drug stores—everywhere.

**How Backache and Periodic Pains Yield to Lydia E. Pinkham's Vegetable Compound**

Olean, N. Y. — "Every month my blood would go to my head and I would have such a headache, nosebleed, backache and pains that I could not do my work. At night I could not get my rest and nothing seemed to do me any good. I read some of your testimonials about what Lydia E. Pinkham's Vegetable Compound had done for others, so I decided to try it. I had only taken two bottles when I began to be better, and my back did not hurt me nor my head ache. I felt like a new woman. The Vegetable Compound is a splendid medicine and I will always recommend it."—Mrs. A. D. EARLS, 530 N. 5th St., Olean, N. Y.

Tuesday, October 9, 1923
Beginning at 12:30 p. m.
100 Head of Immuned Durocs

The offering consists of 40 boars and 60 open gilts, sired by Valley Giant and Orange Sensation—two as good breeding boars as there are in the business today. And we have the goods to show you. Valley Giant is the only Duroc ever sired a State Fair Champion in this part of the country.

The dams of the offering are by Great Orion Sensation, Pathfinder, Ideal Pathfinder, Cherry King Orion. We have always sold an outstanding offering. Will say this is by far the best offering we have yet produced.

Remember, I stand squarely back of this offering. You always know where to find Perry Tinnell. If it isn't right, I make it right. But these boars and sows are the kind I like to stand behind. They have been grown and fed for their future usefulness and they are in the pink of condition. To the farmers who have bought in my former sales, you will find plenty of new blood this year. ### CHEERFUL WORDS

**For Many a Maryville Household**

To have the pains and aches of a bad back removed—to be entirely free from annoying, dangerous urinary disorders, is enough to make any kidney sufferer grateful. The following advice of one who has suffered will prove helpful to hundreds of Maryville readers.

Mrs. Rutha Cornett, 714 North Buchanan street, Maryville, says: "Doan's Kidney Pills have been in our medicine cabinet for a good many years. I used them when my kidneys were not acting properly. At that time sharp pains caught me in the small of my back and left me in a lame and miserable condition. I used Doan's Kidney Pills for this bad attack and they promptly relieved me. I use Doan's occasionally when I do not feel right. They regulate my kidneys and remove the pains and aches. I can recommend Doan's to anyone."

certain but to what extent they did not decide positively.

The people around here have been busy with their road drags the last few days, consequently the roads are getting in good condition again.

Miss Nellie Moore of the Lyle school and her mother visited with Miss Nellie Ashford last Sunday afternoon.

Earl Brown, wife and daughter, Bessie, visited with Mrs. Brown's mother and sister, Mrs. Mary and Mrs. Susie Lewis.

Mr. and Mrs. S. H. Davenport went to Maitland Monday.

Mr. and Mrs. Clifford Brickey and youngest children went to Maryville Tuesday.

Singrey school will probably go to Maryville tomorrow (Thursday) to the agricultural day of the Fall Fiesta.

We learned as we were writing these items that Bethany is already at work at the church. The amount of work they will do will depend upon circumstances.

## Hopkins to Have One-Day Picnic Oct. 11

(Hopkins Journal.)

At a meeting held at the Bank of Hopkins Tuesday night, it was decided to have but one day instead of a three day picnic as announced last week, this decision being reached after learning that some of the attractions the committee had counted on, could not be secured.

On Thursday, October 11, an old fashioned one day picnic will be given and the program is such as to make it a very interesting and pleasant occasion.

Prizes will be given for the best horses, cattle, hogs, grain, vegetables and fruit as well as for riding and driving contests. There will also be amusements of various sorts, such as bicycle races, foot races, tug 'o war, horseshoe pitching, etc.

An effort is being made to secure a Ferris wheel and a merry-go-round but at this time it is not certain the committee will be successful.

It is planned to have music by the high school orchestra and there will be other features to make it a real day, one of them being the exhibition of stock by the boys and girls calf and pig club.

Arrange to come early and stay late for there will be plenty of entertainment and plenty to eat, several of the churches in the vicinity having decided to serve meals and lunches.

All we need is the right kind of weather—the crowd will be here and everybody will enjoy the day.
